

Transforming lives through meaningful employment

AchieveAbilities LLC would like to introduce you to Natalia.

Natalia came to the United States when she was 14 years old, from Uruguay (South America).

Natalia has worked since the age of 16. She has experience in various jobs from picking apples to working in factory shops. In 2019, she felt she needed something more fulfilling, she was seeking something life changing. It was then that she ran into her friend Carolina, who told Natalia about AchieveAbilities LLC. Natalia was excited to make AchieveAbilities LLC the place for her new journey!

When Natalia began working at AchieveAbilities LLC, she received training with the support of co-workers, online programs, and job shadows, and this has continued. She feels blessed to work for company that encourages education and provides the necessary tools, programs, and the best mentors.

Natalia's passions are to change things up, to help others, to begin new journeys, and to see other people's perspectives. Family is also important to her and she appreciates employers with flexible scheduling, enabling her precious time to raise her daughter.

As you can see, Natalia loves working at AchieveAbilities LLC! She feels the atmosphere is great, and that the clients and their families are lovely. She also appreciates that if there is a concern, there is communication between staff, the client and their families, and everything works out for the client in the end. This makes Natalia very happy.

AchieveAbilities LLC is here to give you the hope, encouragement, and help that you need to succeed! We believe you will find Natalia a great fit for helping you Achieve your goals!
