

*Transforming lives through meaningful employment*

**AchieveAbilities LLC would like to introduce you to Chris O’C**

The first thing that you will notice about Chris is his fun-loving personality and helpful spirit. Loving both people and service, this is the job for him!

We were delighted when he shared how his enjoyment working with AchieveAbilities clients and staff in his previous employment in retail, led him to his current position with AchieveAbilities. Our staff felt he would be a great fit for our clients as a job coach because they witnessed the way he truly cared. His skills include empathy and compassion in tough situations as well as the ability to redirect and remain positive and upbeat. He desires to consistently ensure the best for the human experience by being friendly and caring while still challenging people to grow and learn.

He is passionate about the community and loves that he gets to work here and contribute as a lifelong Madison resident. He especially loves the city and people. Outside of work, he enjoys sports of all kinds, art and film, fishing, the outdoors and his friends and family.

Chris’ passion is helping others and bringing any sense of joy to people’s lives. He truly wants to make a personal impact and help others see the very best in themselves.

AchieveAbilities LLC is here to give you the hope, encouragement, and help that you need to succeed! We believe you will find Chris a great fit for helping you Achieve your goals!
